

LET US BRING THE TRASH TO THE CURB FOR YOU!

Valet Service eliminates you having to deal with heavy cans or forgetting to take the can to the curb. For an additional monthly fee, we will come to where the A.O.K. cans are, get your garbage and take it to the curb for you. No more running down the garbage truck, or missing your pickup. Give your spouse and kid a break! We will be happy to take the trash out for you. No frowns, or complaints.

All cans must be in view, accessible and within 50 feet from the curbside. Only A.O.K. rental cans are permitted for valet service; cans will be left at the curbside. Yard debris, Cardboard, or additional bags outside the container, are not included in the valet service.
